

Church Life

Do Christians believe in three gods?

Café Church is a safe place to think about big questions people often have.

Sunday Evenings at St Alkmund's

We join with our sister church on Sunday evenings at St Alkmund's Church, Duffield at 6.30pm. You would be more than welcome to come along.

This term we will be looking at **Luke and Malachi**. The next First Sunday Special will be on 3rd June in St Alkmund's Church Hall and we will be looking at **"Who are we?: Body & Soul"**.

Giving at St Paul's

We encourage people at St Paul's to be regular givers, preferably by standing order to our bank account. If this is something you would like to do, bank details and Gift Aid forms can be found in the leaflet *Giving money to the work of St Paul's*. For visitors or those who prefer to give cash each week, we can claim Gift Aid on all cash donations of £20 or less put into the offertory plate (located near the entrance door).

Mission Partners

OMF INTERNATIONAL
Heart for Asia. Hope for billions.

We support the ministry of John and Sian Newton-Webb serving in a church in Sapporo, Japan. The church is very small in Japan, but growing. John and Sian are labouring in one small corner of this great harvest field.

Ventures are fun, safe and life-changing Christian holidays for 8-18s in the UK. The numbers of 8-18's in UK churches has declined by

90% in the last 20 years. At St Paul's we send young people to various different camps (according to age) to encourage them to live for Jesus. We particularly support Hope Valley, in Derbyshire.

LP's aim to is to see churches equipped for mission and growing

to maturity in Christ through the ministry of pastors and leaders who believe, teach and live by the Word of God, especially in the Majority World. It seeks to provide biblical resources and training to pastors and churches, that as they experience phenomenal growth, they would also experience growth in maturity.

Dan & Vikki are working in North Africa in Muslim Majority cultures to be a witness to Christ in their work and lives. With their family, they are living and working, intentionally looking for opportunities to share their faith and encourage believers in their area and beyond.

Prayer Diary

Sunday Thank God that we can meet safely to worship Him. Pray for Christians around the world who are persecuted for their faith. That they would be encouraged by the eternal hope they have in Jesus.

Monday Pray for our young people doing exams this week. For productive revision and for them not to be affected by nerves. For good times of rest and that they would put their trust in God.

Tuesday Pray for our diocese that God will grant wisdom to those who will appoint the next Bishop of Derby. That the new bishop will have a deep love for God and accept the total authority of the scriptures.

Wednesday Thank God for the good attendance at the Silver Screen last week and pray that some of the new people who came to that will come to our Third Thursday Meeting tomorrow. Pray for opportunities to form good relationships and also speak about Jesus.

Thursday Pray for the 'Just Start Talking' course this evening. That all who attend will gain the tools, courage and confidence to introduce Jesus into our conversations with others in a more natural way.

Friday Pray for those suffering in any way. Ask God to bring them His comfort, peace, healing and hope. Pray also for those who are lonely, housebound, bereaved or are suffering with mental illness.

Saturday Pray for the preparations for Café Church next Sunday and for opportunities to invite new people or those who haven't been for a while to join us. Ask God to open hearts and minds to the truths of the gospel and a for welcoming atmosphere.
